

COLOR LASERJET PROFESSIONAL CP5225 PRINTER SERIES

CP5225n • CP5225dn

Gain control of your printed documents and make an impact when communicating. One versatile printer covers all your printing needs from general office to oversized documents.

- Get affordable, brilliant A3 printing in your own office.
- Count on easy-to-use, easy-to-manage technology.
- Reduce your environmental impact with features that help you save energy and paper.

Affordable A3 printing

Now you can handle all your business printing and A3 output in your own office using a single printer. Print everyday business documents and marketing materials as well as wide-format projects at an affordable price—often less than printing at a copy shop.

Easily print on different types of paper—plain, premium, and glossy—with adjustable paper trays. The printer supports sizes from 3 by 5 in up to 12 by 18 in and weights up to 220 g/m². The 100-sheet multipurpose tray and 250-sheet input tray offer flexibility. Add the optional 500-sheet tray for a maximum input capacity of up to 850 sheets.

Use the HP Print Cost Estimator—available in the included HP Print View Software—to compare the cost of printing internally versus at a copy shop.¹

High-quality output on a range of documents

HP Color LaserJets help you make an impact by putting your business in the best light. Confidently print spreadsheets, line drawings, marketing materials, client presentations, and more. Using in-line printer architecture, four colors are aligned and applied in a single pass for reliable, accurate print quality.

HP ImageREt 3600 is image resolution technology that creates smooth colors, sharp images, and crisp text. Original HP cartridges with HP ColorSphere toner deliver consistent, print shop-quality results on a range of papers designed for professional office printing.

Enjoy superior print quality at speeds of up to 20 ppm and a black-and-white first page out in as fast as 14.5 seconds, letter (as fast as 16 seconds, A4). Instant-on Technology provides a warm-up time from low-power mode that's up to 50% faster compared to competitive models. In fact, your print job may be finished before many printers have started printing.²

Easy to use, share and maintain

The printer's control panel is intuitive and instructive. Networked models are easy to share, and it's a snap to replace and order supplies.

Access the technology, services, solutions, and support you need to manage and grow your business with HP Total Care.

⁷Exact speed varies depending on the system configuration, software application, driver, and document complexity. ⁸HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period. ⁹Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs. ¹⁰Input trays 2 and 3 support up to a maximum of 11.7 in width or 17 in height; 11.7 in x 17 in paper is not supported. ¹¹Average continuous composite cyan/yellow/magenta cartridge yield 7,300 standard pages and average continuous black cartridge yield 7,000 standard pages. Declared yield value in accordance with ISO/IEC 19798. Actual yields vary considerably based on images printed and other factors. For more information, visit www.hp.com/go/learnaboutsupplies. ¹²Configuration tested: base model, simplex printing, A4 paper at an average of 20 ppm. Values are subject to change. For current information see www.hp.com/support. ¹³Values subject to change. See www.hp.com/support for current information. Power numbers are the highest values measured using all standard voltages. ¹⁴HP SureSupply alerts you when your print cartridge is running low and helps you purchase online or locally through HP or a participating retailer. Only available with Original HP supplies; Internet access required. To learn more, visit www.hp.com/go/SureSupply.
